

Moosup Elementary School and Westminster Tools Present

Maker Space

Mrs. Bourque's Third Grade Class

////////////////////////////////////

The mission, should you choose to accept it,
is to think without a box

////////////////////////////////////

Your Tools are: Newspaper, Masking Tape, and a team mate.

If we can dream it, we can build it!

Ray & Kim Coombs of Westminster Tools brought Rick Kline from Gardner Publications to see your brilliance and creativity.

////////////////////////////////////
We Think.....We Score
